We are committed to bringing Informatics into all classrooms, ensuring inclusivity and gender balance.

Be inspired by our actionable recommendations!

EUGAIN

COST ACTION CA19122
European Network For Gender Balance in Informatics

This visual is based upon work from COST Action EUGAIN, CA19122, supported by COST (European Cooperation in Science and Technology).

COST (European Cooperation in Science and Technology) is a funding agency for research and innovation networks. Our Actions help connect research initiatives across Europe and enable scientists to grow their ideas by sharing them with their peers. This boosts their research, career and innovation.
