

## **COST ACTION CA19122 European Network For Gender Balance in Informatics**

This visual is based upon work from COST Action EUGAIN, CA19122, supported by COST (European Cooperation in Science and Technology).

COST (European Cooperation in Science and Technology) is a funding agency for research and innovation networks. Our Actions help connect research initiatives across Europe and enable scientists to grow their ideas by sharing them with their peers. This boosts their research, career and innovation.
